

Hi everybody,

The Trojan Force is sorry to announce that Casino Night has been cancelled. Even the best laid plans don't always happen and this was the case for this event. We just didn't garner the registrations needed to have a successful event.

We'll try again, but we're open to any ideas that will help support Caryl and the program so let us know your thoughts here. info@usctrojanforce.com

Homecoming is next and that will happen. Sat. Nov. 10, doors open 3-4 hours before kickoff.

Fight on!
