

**The first National Collegiate meet was in 1921. Since that time the USC track team has performed remarkably well on the National scene with 101 Top Ten finishes (including 29 Championships) which makes for a history that no university can match in collegiate track & field. There was no national meet in 1924 and the '25, '26, and '27 meets were not scored. The following is USC's year-by-year finish at the NCAAs.**
